Do They Fit?

You may have glasses that fit the eyes but do not fit the face. We see that they are right for both. The eyes, of course, are of the most importance, but you shouldn't neglect the matter of appearance. How often you see small lenses on large people and large lenses on small people.

Adjustments made by us have the quality of being artistic. We aim to keep in mind the individual needs of each customer.

We must be accurate, but in addition, an effort should be made to produce a pleasing appearance, and this we do in our fitting.

The Dawn of Another Year.

Starting on another year we desire to express our most sincere thanks for the increasing favor which this store has enjoyed during the past twelve months. We ask for a continuation of your good will and shall constantly endeavor to merit it by making this a store which shall at all times conserve the best interests of those who favor it with their patronage. We Wish you

A HAPPY AND PROSPEROUS NEW YEAR.

H. K. HOLCOMB,
Temporarily in charge.

OF INTEREST TO SOMEBODY—Deputy Postmaster Galpin has a number of articles of children's wearing apparel that were inadvertently left in the postoffice lobby by some one. The owner can have the property by calling on him and identifying it.

KEPT HUSTLING—Attorney Arthur J. Edwards has returned from Chicago where he has been since the first of October on mining business. He said that on his return there were at Congress Junction two carloads of machinery for the White mine, one of the properties in which he is interested. In his absence he closed up two mining deals. He will return to Chicago this week in another matter.

RELIEF CORPS WILL RECEIVE—The Woman's Relief corps will keep open house from 3 to 6 p. m. on Monday, the official New Year's day. They will be at home in Veterans' hall in the rear of the Lamson business college. They desire especially to receive veterans of the civil war, Spanish war, Philippine war and militia but all friends of patriotic enterprises are invited.

INSANE BY DOPE—Andrew Brawley, a young man of unsavory record and connections, was sent to the insane asylum yesterday. He has for a long time been an opium fiend. Failing to procure the drug in the necessary quantities he grew so violent night before last that it became necessary to take him into custody. His manner was more quiet yesterday but it was evident that he would never be better without restraint.

HARCOURT CASE CONTINUED—Yesterday was the time for the hearing before Chief Justice Ken of the habeas corpus matter in the case of J. F. Harcourt, the diamond snatcher of Tucson. A telephone message was received yesterday from Attorney John B. Wright of Tucson, saying that he would be unable to be present and asking that a continuance be allowed until Monday. His request was granted.

POSTOFFICE HOURS—The postoffice will today observe the usual Sunday hours, the windows being open between 10 and 11. Tomorrow being a semi-official holiday, the windows will be open from 8 a. m. to 12 o'clock. Those who get their mail by carrier ordinarily can get it Monday by calling at the window on the Monroe street sidewalk during those hours. The rural carriers will make their regular trips on Monday.

JAEGER-REITER—Word has been received in Phoenix of the marriage of Florence, Colo., on December 11 of Mr. J. A. Jaeger of Prescott and Phoenix and Miss Ethel Reiter of Florence. Mr. and Mrs. Jaeger will be at home to friends in this city after today. Mr. Jaeger has for a long time been under Superintendent Drake in charge of the engineering department of the S. F. P. & P. and the Phoenix and Eastern with headquarters at Prescott. It is presumed that he will make this city his home now.

DISTRICT COURT—There was a law day session of district court yesterday morning. In the case of James McNaughton and others against Julius G. Hansen a dispute over mining properties near Wickenburg, a motion for a settlement of priorities was granted as to the costs and to an indebtedness due M. E. Brewer, \$300, and was denied as to other matters. In the case of McClintic Marshall & Co. against the American Construction and Supply company, judgment was given in all lien claimants and foreclosure was ordered. Several other matters of less importance were passed upon.

THE NEW YEAR AT WICKENBURG—Rev. J. W. Dorrance will preach in the public school building in Wickenburg today at 11 a. m. and 7:30 p. m. The discourses both morning and evening will be appropriate for the first day of the new year. Good beginnings as a rule end well. Therefore everybody in Wickenburg and vicinity is cordially invited by the presiding minister to be present at both services and begin the new year of 1905 by spending a portion of his first day in the public worship of the Giver of every good and perfect gift.

RECOVERED WATCHES—The police have recovered all the watches which have been stolen recently. It was mentioned not long ago that Harry Brown, the young man who was arrested for the first theft of the famous watch of Mrs. R. J. Dolbs, had been arrested at Los Angeles for theft soon after his release from the jail here. He had some watches in his possession and it was suspected that they might be some of the Phoenix watches. One of them turned out to be a watch which had been stolen from Mrs. Elvey. A watch which had been stolen from Miss Emma Luhrs was found yesterday in a saloon and a watch taken at the time of the burglary of the rooms of Miss Dietz in the Holmes block was found in the possession of a Chinaman. The police have learned that all of the watches were stolen by Brown.

SHOT UP WICKENBURG—The case of a prominent citizen of Wickenburg was brought to the notice of Justice Burnett yesterday. He was arrested a day or two ago charged with shooting up the town and carrying concealed weapons. He gave bail at once in the sum of \$50 and his case was set for hearing yesterday before Justice Burnett. The defendant did not appear and just as the ball was about to be declared forfeited a well-known business man who had been informed of the proceeding called and secured a continuance. The defendant is a mining man of prominence and when he visits Phoenix is distinguished for his gentlemanly demeanor. But at Wickenburg he frequently gets drunk and tries to take possession of the town. It is said that he has the atmosphere of the place all shot full of holes.

OLD THINGS PASS AWAY

The Changes About the Court House Which Will Begin Today.

The terms of all the county officers except that of the hold over supervisor came to an end at midnight last night. The sheriff's office the only one which will be kept open today will be formally transferred at 9 o'clock this morning. There will be no ceremony. Sheriff Cook and his deputies have been moving their personal effects out of the building which looked last night rather bare and lonely.

The last session of the board of supervisors was held yesterday. It was spent in going over the accounts of the treasurer and signing up reports. At 6 o'clock in the evening all the business of the board had been brought up to date. During the session Supervisor-elect Steward was present and also W. G. Pendleton, who will be the clerk of the new board. The outgoing members take pleasure in the fact that during the four years in which they have been in control of the affairs of the county the tax rate has been steadily lowered until this year when it is the lowest on record.

The count of the money in the office of the treasurer showed that there was on hand \$108,994.13.

It is not likely that much will be done in any of the county offices tomorrow which though not a legal holiday will no doubt be half regarded as one.

A POSSIBILITY.

That Became a Fact and Pleases Many People.

A. R. Lewis, M. D., in a lengthy article in the columns of the American Journal of Health, says concerning hair: "It's deterioration is a constant source of worry to humanity, consequently bald people are readily deceived by 'fake' hair restoratives. The wish that a hair preparation will 'fill the bill' is a common one. A rare case in point is that of Newbro's Herpicide, which actually does 'fill the bill.' It destroys the parasite that attacks the hair root, and prevents dandruff, falling hair and baldness." Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. "About the DR. DEIMEL UNDERWEAR"

This is the name of a little booklet, which will tell you how to secure an amount of bodily comfort that is absolutely unknown to wearers of ordinary underclothing. It will tell you how to be free from colds—tells of an underwear that is more cleanly, more comfortable and more healthful than any other—The DR. DEIMEL UNDERWEAR—which is now worn by thousands of intelligent people the year round, who wonder how they were ever satisfied with the prickly, irritating wool, or the cold and clammy cotton. May we send you a copy? A postal will bring it by return mail.
